

HOSPITALITY HOUSE  
of CHARLOTTE

# Care Bags and Toiletry Bags

At Hospitality House of Charlotte, care bags and toiletry bags play a vital role in providing essential support and comfort to our guests. These bags provide them with essentials such as toiletries, hygiene products, snacks, and even items like socks and blankets, addressing immediate needs and restoring a sense of comfort. These simple yet impactful gestures not only meet practical needs but also demonstrate the warmth and generosity of the Hospitality House of Charlotte community.

## Care Bags

In care bags, any comforting items that caregivers could find useful while in the hospital with a loved one are wonderful to add. These items can include but are not limited to notebooks, pens, socks, blankets, water bottles, activity books, and snacks with an expiration date of at least six months from the point of drop off.

## Elevated Toiletry Bags

HHOC provides shampoo, conditioner, and soap to all of our guests upon check in. With this in mind, we would love to provide them with other health and wellness items—that's where our wonderful community comes in. These can include but are not limited to, lip balm, makeup wipes, deodorant, tissues, lotion, toothbrush, toothpaste, and floss.

*Please Note: Ideally, all care bags and toiletry bags should be in open bags with handles so guests can easily see what is in the bag and grab and go with their items!*

## Get Involved Today!

To sign up for a care bag drop off, please visit the volunteer page at [hospitalityhouseofcharlotte.org/volunteer/](http://hospitalityhouseofcharlotte.org/volunteer/) to view available drop off days.

Interested in turning this into an onsite opportunity at your office? Reach out to [volunteer@HHOCharlotte.org](mailto:volunteer@HHOCharlotte.org) or call (704)-376-0060 and press 4.
